### RECAREDO WINE TOURISM DEPARTMENT COVID-19 PROTOCOL

In Recaredo we've implemented some preventive measures by following the state and international recommendations in relation to the prevention of COVID-19 in order to guarantee health and safety of our workers, providers and customers in all RECAREDO facilities.

In Recaredo visit center we follow the next rules:

- It is obligatory to **wear a mask** in all Recaredo facilities and to respect all the necessary distance measures.
- We have installed **hydroalcoholic gel dispensing points** in all common areas.
- We have placed **posters for staff and visitors with hygiene protocols (such as hand washing)** in visible locations in our toilets.
- All our facilities are **daily cleaned and disinfected**.
- We also **clean and disinfect everything we use for our transactions at the store to avoid cross contamination**.
- According to the current legislation **we reduced the number of visitors** to a maximum of 6 people at a time.
- **Outdoor visits and tastings** are promoted whenever possible.

Individual measures:

- The use of a **mask is obligatory** at the entrance/reception of the winery. We can provide a mask upon request.
- We take measurements of **body temperature** prior to entering the winery.
- It is obligatory the usage of the **hydroalcoholic gel at the winery entrance and in tasting rooms**.
- Secure distance has to be respected.
- Cash transactions will be avoided at the store. It is recommended for customers to make **card payments or any other type of payment, to avoid the circulation of cash**.
